PB Speedway Track Will Reopen July 9

Stan Parnell, local businessman of West Palm Beach, received a "Go Ahead" and congratulations from Southeastern Fair Association officials, John T. Trentine and Lamar Allen on the construction and opening of the Palm Beach Speedway.

The one-half mile banked asphalt track located at the Southeastern Fairgrounds on Route 98 west of West Palm Beach is presently undergoing a complete face-lifting process with the improvement of parking facilities, rest rooms, and concession stands. A complete new grandstand has been erected this past week and work is now on a "round the clock" schedule preparing the track for the opening event July 9.

Stan Parnell, former race driver for 15 years and holder of the 1951 G. A. State Championship, the 1952 NASCAR Sportsman Championship, and the GASCAR Championship will be the new promoter and track manager for the racing plant. Parnell says his track will be maintained for racing on a year-round basis with immediate headquarters being located at the speedway.

The twenty lap feature for fast Modified automobiles, a purse of \$1000, and trophies should provide an afternoon of racing thrills for fans and drivers throughout this area of Florida.

Education Gains Most In Legislature; 75 Local Laws Include Glades Judge

By Emmett Roberts PB County Legislator
The 1961 session of the Florida Legislature is now history. It depends on your point of view as to whether it was dictated to or leaderless, radical or conservative, well-organized or dull, outstanding or mediocre.

The best way to evaluate it is to review its accomplishments, failures and, of course, any evaluation is subject to the opinions of those who make the evaluation.

Under accomplishments:
1. A balanced budget was achieved with spending set for the next two years from general revenue of a record 768 millions. It will become permanent, in my opinion, before the two years are up that the legislature failed to provide proper funds with which to meet the growing needs of our citizens.

The taxpayers will be glad to know that the budget was set without any new general taxes. In a few areas loopholes in the sales tax were closed.

2. The only major tax legislation was the reduction of tax on class B intangibles from two mills to 1 1/2 in '62 and to one mill in '64. The basis for assessing inventories was set at 25 percent and the 55 "T" tax was increased to \$100.00.

3. A reapportionment bill was formed providing for a 104 member House of Representatives and a 45 member Senate. This also provides a Senator for every county which reaches 50,000 in population.

4. Florida gained four new congressmen as a result of the 1960 census. In redistricting the state our own sixth district remains the largest in population. We were unable to separate Broward and Palm Beach Counties plus several of the smaller counties presently in the district which desired to remain with us.

5. We accomplished our main purpose in having funds voted for construction of Boca Raton University. Although capital outlay means will depend on an increase in our state's economy. We feel most encouraged that the school will begin operations by 1965. This we considered a major victory in view of the tight money situation. 6. Under accomplishments we were successful in preventing the dividing of Lake Okechobee. (Continued On Page Eight)

Screwworm or Worms In Florida Again!

Screwworms have reappeared in Florida, it was announced today by Doyle Conner, Commissioner of Agriculture.

Confirmed identification of the dread livestock pest from samples found on a farm in the Bonifay area of Northwest Florida was made late Tuesday and measures to combat the menace already are being taken, Conner said.

According to Dr. C. L. Campbell, director of the department's division of Animal Industry, a force of twelve livestock inspectors under supervision of the state veterinarian, Chief Dr. M. E. Meadows, Jr., has started working in the Bonifay area.

"Spraying equipment is being brought in and an intensive campaign of inspections and preventive measures is underway in an effort to forestall the pest from getting a foothold in the state again," said Campbell.

According to Dr. Meadows, the new case is positively a secondary infestation - one caused by flies in the area and not one transported from the Southwest.

"Origin of the flies from which the new outbreak resulted, however, is undoubtedly from an infestation of some kind that was shipped in from the Southwest," Meadows added. "Since the State-Federal eradication program of 1959-60 there has been only one other case reported in Florida. That was in mid-1960 on a racing greyhound transported from Kansas."

Market Open July 3 Monday's Sale Brings \$79,336

There will be a sale at the Glades Livestock Market on July 3, according to George Young, mgr. At Monday's sale 786 cattle were sold for \$79,336, 38 with 51-percent to slaughter and 49 per cent to stocker. 19 percent of the run was cows, 17 percent to slaughter.

Six Feeder Calf Sales are scheduled in Florida beginning with the one on August 14 at the Glades Livestock Market and ending on August 25 at Columbia Livestock Market at Lake City.

The Market is preparing advertising to be mailed and if any of the cattlemen know of someone interested in Florida Feeder calves please let them know.

Former Classmates Enjoy Get-Together

Mrs. M. J. Wooley of Oklawaha City, who is spending the summer with her parents, Mr. and Mrs. Joe Freedman, was honored guest at a get-together at the Ruth Wedgworth home on Tuesday afternoon.

The group spent the afternoon renewing friendships of high school days. Others present were Mrs. Marion I. Spooner of Bradenton, Joe Tom Boynton of Pahokee, Mrs. S. K. Smith, Jr., Mrs. Lee Berryhill and Mrs. R. Y. Creech, Jr.

Chamber Seeks Homes For New Folks

L. L. Price reports that during this past week his office has placed six families with a total of 19 children in homes as year-round residents.

He has a letter from a man in Indiana stating that his boss requires him to live in Belle Glade and wanting to secure a home for his wife and three children. He didn't seem to be in a hurry, BUT HE WANTS TO LIVE IN BELLE GLADE.

Growers Receive "Go-Ahead" With A "Calculated Risk"

Magistrate's Court Installed Monday

Next Monday, July 3, will mark another progressive step in the history of the West Palm Beach County when the recently created Magistrate's Court will open at the Glades Office Building at 9 o'clock. A special ceremony is being arranged for the inception of the (Continued On Page Eight)

Some three score and more Glades dirt farmers have conceived, planned and are financing a \$14 to \$15,000,000 expenditure for growing cane and producing some seven million dollars worth of sugar annually, on 18-20,000 acres of choice Glades lands.

The full-swinging operation will produce some \$2,600,000 annual payroll, plus several millions in complementary equipment supplies, etc., and plus a substantial net profit to the growers.

No new consumption of the in the board rooms of financial project is indicated in an announcement to the members of the co-op that "schedules for the year" will not make this an operative's sugar mill can be ready to grind December 1st, 1962 and

"Growers who wish to take calculated risk should begin, if they have not already done so, land preparation for planting this fall."

"Even though financing arrangements have not yet been completed as of this date, the Board of Directors is taking a calculated risk by proceeding as of July 1, 1961 with site preparation - so as to maintain the prepared time schedule altogether sugar-saturated agricultural area, but sufficiently advanced to make its economic stability palatable to inhabitants and neighboring suppliers and sales persons."

A logical conclusion, after considering these facts, would be: "DON'T SELL THE GLADES SHORT - Be glad you're a part of it; be glad you and effort, the group, which is in know it's citizens, and remember the GLADES is HELPING KEEP THE "IN IMPORTANCE" that ranks placement

Straw Ballot Vote July 7 On Bar Closing Hours

Belle Glade's City Commission has ordered an expression of opinion of all registered voters in the city limits on the question of hours for closing by retailers of alcoholic beverages, by a straw ballot on July 7.

The voting will be held at the American Legion Hall with polls open from 7 a. m. to 7 p. m. with all normal requirements for each voter - proper registration.

You may register, if you are not already registered, until 4:30 p. m. on July 5th.

The Palm Beach County Commission this week, honoring a request from two of three Glades communities involved, agreed to delay action until an election in order to sample public opinion in that area. Hours of operation for liquor establishments west of Twenty Glades Road.

The commission has had under consideration, a petition from a night club operator near Commissioner Paul Rardin,

If you are in favor of present hours pull Lever 1-A:

Monday thru Friday 8:00 a. m. to 12:00
Saturday 8:00 a. m. to 1:00 a. m. Sunday

If you are in favor of County hours pull Lever 1-B

Weekdays - 7:00 a. m. until 2:00 a. m.
Sunday - 2:00 p. m. until 2:00 a. m.

There's An Answer - Just What Is A U. S. No. 1 Radish?

"Cope" Copeland, A. & P's Buyer in the Glades asked Frank Phelan, Inspector in Charge in South Florida for the Federal-State Inspection Service. "Is there any such thing as a U. S. No. 1 radish?" We inspect and furnish a certificate for every package purchased for the U. S. Army, and they buy plenty."

According to Mr. Phelan, many other buyers in South Florida require certified inspection by the Service of radish, although in volume, that is a minor subject of his boy's work.

Frank came right back, "Sure the Inspection Service KNOWS what a U. S. No. 1 radish is. We inspect and furnish a certificate for every package purchased for the U. S. Army, and they buy plenty."

Four vegetables in this area account for the majority of the current six-million-package inspection. (Continued On Page Eight)

LET'S MIDDLE IN EARNEST
Some years ago when a tough-minded educator was appointed to fill a Senate vacancy one of his old students grinned and said, "I can just see him standing up in the Senate chamber and saying, 'Gentlemen, this bill must pass - pleasantly, I hope.'"

Today the Communists, strongly feeling their astronomical odds, are standing up and shouting, "We are going to take over the world - pleasantly we hope."

The United States is spending billions to be ready in case they ever get "unpleasant" but in the meantime we are losing most of the skirmishes in the "pleasant" war they are waging. Unless we can find a way to throw a monkey wrench into their country-by-country subversion machine - and soon - they will have achieved their world-conquest objective while we are still engaged in preparing for the kind of a war we think they might wage someday.

If we are to slow down this behind-the-scenes take-over we must face realities squarely. We can no longer afford to hesitate about fighting fire with fire, for fear that we may be accused of meddling in the internal affairs of other countries. To win this kind of a war we are going to have to out-muddle the meddling champions.

All Boats Register In New Regulations

1. It will be August 1 before pleasure boat owners can re-register their boats for the year of 1961-1962.
2. To obtain re-registering boats will be the same as the original registration.
3. The boat owner will be permitted to operate his boat the month of July with his expired certificate.

4. (a) August 1 the boat owner will carry his old certificate to the tax collector's office in his county and the new certificate will be issued from the old certificate.
(b) The name on the new certificate must be the same name that appears on the old certificate. If there has been a change of ownership on the boat it will be necessary that they first transfer the boat in their name through the State Board of Conservation, Tallahassee, Florida, before they can be issued a new valid certificate.

(c) Upon re-registering their boat they will be furnished a decal at no extra charge which must be placed on their boat on the right side just before or after their present number.
5. The FL number previously given to the boat will remain with the boat and will be on the new certificate.

6. After August 1 all transfers will be handled through the State Board of Conservation and the price will be \$1.00 for all transfers, regardless of the type (providing the commercial transfers are on a valid certificate). The tax collector's office will no longer issue the commercial to pleasure transfers.
7. Shortly after July 20, the office will be the new certificate to the tax collector's office and also the decals. At the same time, the old certificates will be picked up.
8. The re-registration of salt water commercial boats will begin July 1, and they also will be given a decal to be displayed on their boats. There will be a short delay in mailing out the new certificates due to the delivery of the new certificates by the printer.

9. After August 1, 1961 there will be a \$1.00 charge for all duplicate certificates.
10. Fees on all boat propelled by machinery of more than 10 hp must be registered 16 ft. and including 25 ft. \$2.75, 26 ft. and including 39 ft. \$3.50, Less than 16 ft. long, \$1.75.

Jack M. Gorham Named To GM Public Service

General Motors has announced that Jack M. Gorham, local Pontiac dealer for the past 13 years, has been appointed to serve as GM Community Relations Chairman for Belle Glade and vicinity.

The chairmanship carries a community service responsibility. Mr. Gorham will make available to the public a variety of interesting and educational material in the form of motion pictures, booklets and presentations from GM's Public Relations staff. One of the GM films is "Farmer of Tomorrow," produced especially for Future Farmers of America.

Another film, "Safety, Our No. 1 Crop," was produced to assist 4-H in their safety activities. General Motors is the sponsor of the National 4-H Safety Program and Mr. Gorham will be able to aid local 4-H Clubs which have members participating.

The newest General Motors aid for the promotion of safety is the color motion picture, "The Safest Township Anywhere." This film guides its audience into individual action and then into group action directed toward living an ever-safe moment. All GM films are available free of charge.

Mr. Gorham also will be in a position to cooperate with club organizations, schools, or any other local organizations which may find General Motors materials of interest for use in the development of programs.

Uncle Dan From Democrat River

Dear Mister Editor:

The Constitution says everybody is entitled to the pursuit of happiness and, come next Tuesday, the pursuit will be on. I am sure to come through Independence Day and year without a scratch. My plans call for setting in a rocking chair on the front porch and rocking with the grain. I might get a musket bite or two but that'll be broken bones I'll be reading about in the papers.

Back when I was a boy it wasn't so dangerous to venture out of the house on July 4. We had a old mule named Jerry and he had a heap of faults but he never turned the buggy over on account of rounding a curve at 90 mile a hour. And they wasn't no 7-cent road tax on his oats. Pa would hitch up the wagon and we'd all go to town on Independence Day. First off, we'd go in some store that was open and get a nickel's worth of cheese, a ten-cent can of sardines and a box of crackers and then we'd all eat like a hog. Nowadays if a family wants to have a hawking for wimmen he can have as many as time, opportunity, and wimmen permits.

I was reading a piece in the papers about the contribution to Independence Day. On July 4, 1894, at Kokomo, Indiana, ole Elwood cranked a one-horse-power, two-cycle engine on a rubber-tired buggy and took off at 7 mile a hour. When Elwood twisted the crank that Independence Day, he started sompin. The piece said a stone marks the place where America's first gasoline automobile sputtered off down

the road. And I reckon, Mister Editor, there is a million stories in memory of folks who has died by that device in the pursuit of happiness on Independence Day.

Of course, I ain't hankering to go back to them days of crackers and sardines and ole Jerry. But sometimes I do get right homesick to pick up a newspaper and read where the big argument of the day is somepon gentle like gitting off the gold standard. Back in them days the papers was full of discussions about things. Now everything is a argument. In a discussion folks exchange ideas but in a argument they just swap ignorance. You could have a real discussion around a store counter eating crackers and sardines. Around those new-fangled eating places today, about all you get is a argument.

Talking about arguments, I see where two writers is having a argument on how many wimmen a man can love at the same time. I don't know nothing about wimmen, but I know men, and I'd say that if a feller has a hawking for wimmen he can have as many as time, opportunity, and wimmen permits.

Yours truly,
Uncle Dan

COUNTY SEAT MIAMI

World famous Dade County, with its fabulous Miami Beach, is Florida's most cosmopolitan area. Tourism and tourist attractions represent the main source of income; however, diversified industry, commercial fishing, and farming contribute heavily to the economy of the area.

Dade County was formed in 1836 and named for Major Francis L. Dade, who was massacred at the beginning of the Second Seminole War. Once Seminole Indian territory, many of the county names are Indian in origin.
In progressive Dade County, and throughout Florida, the United States Brewers Association works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Association stresses close cooperation with the Armed Forces, law enforcement and governing officials.

The children during the eight days of Bible School gave \$82.

Local Witnesses

Return From N. Y.

Mr. J. N. Morris and wife, of 140 East Palm Beach Road, returned today from a week's visit in New York City where they attended the "United Worldshipers" district assembly of Jehovah's Witnesses, Mr. J. G. Zea, presiding minister of the Belle Glade congregation of Jehovah's Witnesses, reported yesterday.

9:20 a.m. at the main session on Sunday to hear the public address by Nathan H. Knorr, president of the Watch Tower Bible and Tract Society, on the subject, "When All Nations Under God's Kingdom."

Mr. Morris said that he enjoyed a very pleasant visit. New York's usually hot weather was broken by timely showers, making the sessions quite comfortable in Yankee Stadium, scene of the six-day gathering.

Outstanding events of the convention were the baptism of 1,732 new ministers at a New York beach, and the release of a volume edition of the "New World Translation of the Holy Scriptures." It is a modern-language translation from the original Bible tongues. More than twelve years were required to complete the work.

Many family groups attended the assembly, Mr. Morris stated. He said the program especially stressed the educational aspects of the work of Jehovah's Witnesses. It highlighted the importance of family Bible study and prayer as well as united family attendance at religious meetings. This was pointed out as the most effective deterrent to juvenile delinquency.

The local congregation of Jehovah's Witnesses met in Kingdom Hall, on East Palm Beach Road.

Dr. Steve Johnston of Okaloosa visited his parents, Mr. and Mrs. S. K. Smith, Sr., and his brother and family, Mr. and Mrs. S. K. Smith, Jr., the past weekend.

TODAY'S Meditation

Read Genesis 1:24-31; Romans 8:1-6
God created man in his own image, in the image of God created he him; male and female created he them. (Genesis 1:27). We are created in the image of God. God gave us conscience that we might be able to discern between evil and good. God puts upon us the responsibility of choice.

One evening, while in a reading room, one of the visitors asked the cause of the uneasiness, turmoil, and friction in the world, though everyone longs for peace. Almost all present were of the view that it is because man has become selfish. The root cause is man's forgetfulness of his Creator. Caring more for earthly than for heavenly things, man has separated himself from God. Hence man is failing to find peace.

In freedom man has gone astray and lost the path to find God. The path to finding God begins with Jesus. If we start correctly, we can find God. His love and peace will follow, and freedom enjoyed with responsibility will be our blessing.

PRAYER: Eternal God, Father of all mankind, help us to walk with Thee in our freedom, according to Thy will. Strengthen us to know Thy love, revealed through our Lord and Savior Jesus Christ. In His name, Amen.

THOUGHT FOR THE DAY
Freedom to choose means God holds us responsible for our choices.
Albert Benjamin (India)

W. S. C. S. Names New Chairmen

The General Meeting of the Woman's Society of Christian Service was held Tuesday morning at the Community Methodist Church. Mrs. H. C. Post, President, presided over the meeting. Mrs. Robert Abel vice-pres., read the minutes of the last meeting and Mrs. M. M. Sabiston, Treasurer, gave her report and presented the budget for the 1961-62 year.

Mrs. R. V. Allison's resignation as Secretary of Missionary Education was read and accepted and she was then nominated and elected to head the Local Church Activities Comm. Mrs. Post also announced that Mrs. E. C. Mapp was appointed as Sunshine Chairman, Mrs. Herbert Vater, Scrapbook; Mrs. M. Luce, Nursery; and Mrs. Clarence Kidder, Special Memberships.

Mrs. F. C. Schoenfeld gave the Devotion entitled "Fellowship of the Church Helps Us" and the scripture was taken from Romans 12:4-8. Rev. Rustin told the Society that Bishop Arthur J. Moore will be here for the full week of "Evangelism Extraordinary" and that the Woman's Society should start now with any plans that they wish to carry out during that time.

Rev. Rustin also told the Society that they should appoint themselves as a committee of one to get the people of Belle Glade out to vote on the curfew of the bars in Western Palm Beach County to be held before the 10th of July.

It was announced that there will be a reception on Sunday and Mrs. Lee Rustin for Rev. Rustin and it was also decided to include Mrs. Herbert Beck in the reception to show the appreciation of the Woman's Society for all the years of service she has given the Society and how greatly she will be missed in the community and the church.

Evangelist Hargis Has Added Recordings To His Activities

Evangelist Billy James Hargis, founder and director of the Christian Crusade, nationwide anti-communist organization, has added the recording field to his list of activities. It has been announced by his headquarters in Tulsa, Oklahoma. His first album, "Songs and Sayings of Billy James Hargis," has been produced and released by Christian Faith Recordings of Reseda, California.

Accompanied on the pipe organ by Lorin Whitney, former accompanist for Billy Graham, Hargis' singing voice is heard in such old favorite gospel hymns as "By and By," "I'm Going Home," "My Mother's Bible," "No Turning Back," "How Beautiful Heaven Must Be," and "Precious Memories." In addition to patriotic songs such as "God Bless America" and "The Battle Hymn of the Republic," Hargis delivers devotional and patriotic remembrances throughout the album.

Available in long-play high fidelity and stereo versions, the new Hargis album is available both through regular retail record channels as well as direct from his headquarters.

The headquarters of Christian Crusade Anti-Communist Ministry, are located in Tulsa, Oklahoma.

Newly Weds Mr. and Mrs. Lynn Corbin

Miss Nan Ritchie, daughter of Mr. and Mrs. J. H. Ritchie of Colquitt, Ga., became the bride of Charles Lynn Corbin, son of Mr. and Mrs. Solle Corbin, Belle Glade on June 4 at 3:30 p. m. at the Colquitt Baptist Church. The Rev. G. Guy Walton, performed the double ring ceremony before a large assemblage of friends and relatives.

A program of nuptial music was presented by Miss Karen Vadas of Belle Glade, organist, C. E. Brooks, Jr., sang "Sweetest Story Ever Told" and "The Lord's Prayer."

Magnolia trees were used as a background in the church decorations for a double 14 branch candelabra with white bridle tapers, a large arrangement of pink and white gladioli and two smaller arrangements of white gladioli.

The bride escorted by her father, wore an original gown of white chintilly lace over tulle, fashioned with scalloped neckline and tapering sleeves pointed at the wrists. A crown encrusted with rhinestones and seed pearls held her finger tip veil of illusion, and she carried a bouquet of white orchids. Her only ornament was a silver cross a gift from her parents.

Mr. Milton Floyd of Atlanta, was matron of honor. Ushers were Miss Cherry Corbin, of Belle Glade sister of the groom, Miss Glenda Tuttle, Tallahassee and Miss Patsy Sanders, Colquitt. They wore light blue silk organza over tulle dresses featuring a round neckline with a full skirt and tulle sashes. Their headpieces were of matching blue and they wore blue satin shoes, and carried nosegays of white carnations. The attendants' heart shaped necklaces were gifts from the bride.

Loretta Helmes, cousin of the groom was flower girl. She wore a blue organza dress with a basket of pink rose petals. Hank Cook, cousin of the bride, carried the ring on a white satin pillow.

Solle Corbin of Belle Glade was his son's best man and ushers were Larry Thompson, Helywood, Fla., Charles Wynn of Tampa, and Graton Helmes, Colquitt.

Mr. Ritchie chose for her daughter's wedding, a beige sheath dress with bone accessories and a white carnation corsage. Mrs. Corbin wore a blue lace dress over tulle, with matching accessories. Her corsage was white carnations.

Immediately after the ceremony Mr. and Mrs. Ritchie entertained at a reception in the church dining room. Serving punch and cake at the beautifully appointed bride's table were Miss Marilyn Moody and Miss Becky Geer, Mrs. T. E. Newsberry and Mrs. B. W. Veticolas of Albany registered the guests in the bride book.

The bride for traveling wore a beige dress with bone accessories and an orchid corsage. After a wedding trip to North Carolina Mr. and Mrs. Corbin are now at home in Belle Glade until January. When Mr. Corbin will enter the army and be stationed in Oklahoma.

Little Victor Hart, 2 Surprised On Birthday

On June 19, Victor Hart celebrated his second birthday. It was a surprise party given by his grandmother, Mrs. J. E. Hart at Victor's home.

The little guests had a big time playing ball, swinging and playing in the sand pile. The birthday cake frosted in white was decorated with pink roses and a green tractor and inscribed "Happy Birthday Victor". Punch, cake and ice cream was served, and then the honoree opened and displayed many nice gifts.

Guests were Mrs. Joe Guerry and son, Melvin, Mrs. Jimmy Powers and children, Cynthia and Tommy, Miss Judy Kregelin and brothers, David and Donald, Mrs. Mary Dotson and children, Annette, Keith, Steve and Davis, Miss Linda Hart, and Victor's mother, Mrs. N. E. Hart.

Stephens-Luke Engagement Announced

DOWPON controls cattails and problem grasses along ditches.

A regular spraying program with DOWPON puts an end to the continual expense and hard work of burning, chopping or cultivating Johnson or Bermuda grass out of crop lands and cattails out of ditches. In headlands and along ditches, DOWPON eliminates grass—for it kills the deep roots as well as tops. Thru cumulative action, this program becomes as easy to use. You'll find DOWPON cheaper than chisels, axes or borers, less messy than oiling. Simply mix DOWPON with water and spray.

Free Vision Screening Scheduled For Children Entering First Grade

Children entering school for the first time this fall will receive free vision screenings on Friday, August 18. Dr. Russell G. Young, Lake Worth, president of the Florida East Coast Optometric Association, announced today.

Members of the Optometrist Group, meeting Tuesday evening in the office of Dr. O. K. Haugen, in Riviera Beach, voted unanimously to offer the free vision screenings for the second straight year. Dr. L. G. Vaughan, of Boca Raton, who headed the program in 1960, was again named chairman for the project.

Dr. Robert Y. Creach, Belle Glade Optometrist, who participated in the screening of children entering the first grade last year, will have his office open for this purpose again this year. Parents who wish to bring

their children in should keep the date of August 18 in mind to receive this free vision screening.

In commenting on the program, Dr. Vaughan said, "We know that approximately 80 per cent of what a child learns comes through what he sees, therefore visual readiness in a child may determine how well he does in school."

Dr. Young pointed out that tests of the type being offered by Florida East Coast Association optometrists were used in vision screenings for the first time that about 10 per cent of our children start school with a visual problem.

Dr. Young explained that the "step readiness test" also serves as screening to determine the presence of a vision problem or eye condition which might interfere with learning. He emphasized that the tests are not a complete vision examination but are intended to help parents learn if their children are visually ready for school.

The pre-school screening program conducted last year in St. Lucie, Martin and Palm Beach counties, which was the first such project tried in Florida, showed that 418 children were given the vision screenings and 62, or 14.9 per cent failed. This figure was slightly higher than the average for failures in other states conducting similar tests, Dr. Vaughan said.

It's Beatnik Night For Summer Teens

The Summer Teen Program was enjoyed Thursday night by approximately 60 teenagers. The Stereo-amplifier, which had been brought to the hall, was used to fill the room with music.

Many games and activities were enjoyed by the teens. The theme of tonight's program is "Beatnik Night." Everyone is urged to come to Beatnik style or to wear Bermuda or informal dress.

So don't forget it! Summer Teens every Thursday night at Jameson Hall from 8 to 11 p. m. The age limit is the new 10th graders on up. Any teenagers who are free on Wednesday or Thursday afternoon their help would be appreciated in decorating Jameson Hall.

Teachers Leave BG For Summer

Belle Glade High School teachers are enjoying their vacations in various places. Some are attending summer school, others are staying at home and vacationing later on for several weeks. A few have returned to their homes out of state.

Those attending summer school are Luke Thornton, at FSU, Lakeland; Helen Smith, attending University of Kentucky, Thelwell Lake, summer school at FSU, Lakeland. E. L. Slater is spending the summer at Monk's Corner, S. C.; W. B. Groover is visiting relatives at Augusta, Ga.; Mr. Slater is spending the summer at his home town in Vilos, N. C.;

BG Hi Students Attend Art Camp

Claudia Liddow, who will be a junior at Belle Glade High School in the fall and Linda Levine, who will be a senior, are attending a two weeks Summer Art Camp at Florida State University, Tallahassee.

The two outstanding art students were happy to have this opportunity to attend as there were only 50 from the whole state picked to go.

This is the first time students at Belle Glade High School have had an opportunity to participate in the summer art camp. Mr. and Mrs. M. E. Ludlow, is the youngest student attending, most all are senior students.

Mrs. Greer Returns From European Trip

Mrs. Faye Greer has returned to her home here after three months in Europe. She and her sister Mrs. Fred Collier of Vero Beach joined a group of 20 other college students of St. Teresa College, Kansas City, Mo., with her cousin, Dean Helen Key Billings. They met in New York City, the latter part of March and left by ship for Naples, Italy, where they toured by bus.

The students made the trip to get credits to complete their college and on returning are qualified for teaching positions in the fall. The tour took them to Italy, France, Germany, Switzerland, Holland, Luxembourg, Belgium and England, where the students heard famous lecturers on various subjects.

Mrs. Greer and Mrs. Collier enjoyed the lectures too and of course saw some of the sights. They arrived in Paris right when France was about to have a civil war. Armed cars and police were swarming in the city, so they didn't feel as free to shop and get around.

Mrs. Greer who was in Europe six years ago and visited her son-in-law and daughter, M/Sgt. Johnny Hawkins in England made this trip especially to see her daughter Virginia who has been ill. When the student tour returned in two months they stayed in England to be with the Hawkins for another month at Comingsby AFB on the North coast of Essex, Cambridge. Sgt. Hawkins with the Strategic Air Command will finish his service there in August, 1960 and they will return to the States.

Shut off that furnace in your attic!

On a hot summer day, heat in your attic can build up to as much as 140°! Unless your attic is insulated, this terrific heat seeps down into your living quarters until after nightfall. Bedrooms become hothouses, spoiling your night's sleep. In just a few hours more time, you can shut off that overhead furnace. Simply insulate your attic with

NEW Gold Bond TWINSLATION

Reflective foil/aluminum surface on all four sides of the rock wool blanket, saves back 80% of the heat radiated downward from your roof in summer. Your whole home, including your bedrooms, is cooler, more comfortable. And in winter, Gold Bond TwinSLation keeps furnace heat inside; saves up to 25% of your heating bill!

Tell us where you live. Then we can call you how to have the savings and year round comfort of Gold Bond TwinSLation in your home. We'll show you samples, give you simple application directions, too. Stop in Saturday - or sooner if convenient!

Lions Meet International President

Per Stahl of Tallahassee, Sweden, was elected International President of Lions International at the Association's 44th Annual Convention in Atlantic City.

Lions International, with 600,000 members in 119 countries, is the world's largest service club organization.

Lions International is best known for its many youth programs, community service projects, sight conservation activities and aids to the blind.

Lions Clubs around the globe completed more than 200,000 individual community service projects.

Rotary International Elects Newspaper Man

Joseph A. Abey, of Reading, Pa., incoming president of Rotary International for 1961-62, addressed the Rotary's 62nd annual convention at Tokyo.

The convention was the largest in Rotary's history, with more than 20,000 Rotarians and their families registered from some 60 countries.

Mr. Abey is circulation director of the Reading Eagle Times. He has been president and publisher of six newspapers in Tennessee, Virginia, and West Virginia. A member of the Rotary Club of Reading since 1936, he is a past president of that club, and has served Rotary International as director, district governor, and as chairman and member of various committees. He was elected to Rotary's highest office at the 1960 convention in Miami, and since then has served as president-elect and a member of the board of directors. He begins his term as president on July 1st.

Elected at the Tokyo convention to serve as president of Rotary International following Mr. Abey's term was Nitish C. Lahary, of Calcutta, India. He will serve on the board of directors for 1961-62, and take office as president on July 1, 1962. An advocate of the High Court of Calcutta, Mr. Lahary was managing director of Columbia Films of India until his retirement in 1959. A Rotarian since 1926, he is a member and past president of the Rotary Club of Calcutta, and has served Rotary International as vice-president, director, district governor, and as chairman and member of many committees.

Also elected at Tokyo were six members of the board of directors of Rotary International for 1961-63. They are from France, India, England and the U. S. A.

"What Will I Be?"

Boyhood is the atomic age of man. Perpetual motion powered by the explosive energy of youth.

Yet there are times when every boy must be alone, for only in solitude can he shape and size his dreams to a man's dimensions.

What will he be when he grows up?

Today's business management, alert and sensitive to his public responsibilities, helps answer this vital question by creating jobs and opportunities to fit constructive boyhood dreams of any size and shape.

"those good old days?.. bosh!"

"Farming is different now. Profits depend on more efficiency, with greater production per man, per acre and per machine. This calls for time-and-labor saving electricity. You'd be surprised how much of my work Reddy Kilowatt has taken over... and the extra cash he's put in my pocket."

Yes!... the big difference in today's Florida rural scene is the ever-Reddy electric switch. On the farm and in your home, Reddy is your willing, tireless "wired hand" whose low wages can't be beat.
